### In Memoriam

In September of 2019, New England square dance lost a very active caller and great supporter of our activity. Jim DeNigris was active on the New England Co-Operation Committee as its Chairman, in the New England Council of Callers Association as a caller at all levels and as Co-Chairman of the 62<sup>nd</sup> New England Square & Round Dance Convention coming up in Hyannis, MA. He received the Yankee Clipper Award in 2016 as recognition of both his square dancing and community activities. There are several positions in this book that were held by Jim. Notations are placed for updated information as soon as those offices are filled.

Jim will be greatly missed!

# The directory is published through the CO-OPERative efforts of EDSARDA, NECCA and NECORTA

## CO-OPERation COMMITTEE PURPOSE

\* Furnish liaison between the Square Dance Callers of New England, represented by the New England Council of Callers Association (NECCA); the dancers of New England, represented by the Eastern District Square and Round Dance Association (EDSARDA); and the Round Dance Leaders of New England, represented by the New England Council of Round Dance Teachers Associations (NECORTA).

\* Select site and award annual New England Square and Round Dance Convention. Establish convention policies and provide guidance to the general convention committee.

\* Discuss and recommend possible solutions to problems common to EDSARDA, NECCA, and NECORTA.

\* To provide an open forum for the presentation of ideas to improve the quality, quantity and longevity of the New England Square and Round Dance program.

EDSARDA, NECCA, and NECORTA are the main coordinating "Modern" square and Round dance organizations of New England. They coordinate between the National organizations, Co-Op, and also their respective sub-organizations. The sub-organizations represent smaller areas to make it easier for members to meet and discuss issues.

Co-Op was created so to help oversee things that needed the cooperation of all three New England organizations. It actually reports to Tier 1. organizations: (EDSARDA, NECCA and NECORTA)

Tier 1:  
Organizations at this level each have a specific focus - i.e. Dancer/ Club, Callers, Cuers

.....MA: Mayflower

.....METRA:  
Maine Teacher  
Roundance Association

.....VARDL:  
Vermont Association of  
Round Dance Leaders

Tier 2:  
Associations at this level appoint Delegates to their senior organization as noted by connective line

## ARE YOU DANCING UNINSURED

Every square dance organization needs General Liability and Accident Medical Expense coverage while conducting and sponsoring dance activities. As closely as safety rules are followed, accidents can and will happen. This insurance program, especially designed for USDA dance groups, provides Accident Medical insurance, which helps protect club members from financial loss due to a covered accidental bodily injury, and Liability insurance, which protects the club and its members and association officials from financial loss due to unforeseen incidents which may develop into litigation against members and dance organizations.
