EDSARDA, NECCA, and NECORTA are the main coordinating "Modern" square and Round dance organizations of New England. They coordinate between the National organizations, Co-Op, and also their respective sub-organizations. The sub-organizations represent smaller areas to make it easier for members to meet and discuss issues.

Co-Op was created so to help oversee things that needed the cooperation of all three New England organizations. It actually reports to Tier 1. organizations: (EDSARDA, NECCA and NECORTA)

ARE YOU DANCING UNINSURED

Every square dance organization needs General Liability and Accident Medical Expense coverage while conducting and sponsoring dance activities. As closely as safety rules are followed, accidents can and will happen. This insurance program, especially designed for USDA dance groups, provides Accident Medical insurance, which helps protect club members from financial loss due to a covered accidental bodily injury, and Liability insurance, which protects the club and its members and association officials from financial loss due to unforeseen incidents which may develop into litigation against members and dance organizations.

This directory is assembled by the *CO-OP Delegates Committee* (<http://co-op.nesrdc.org>). All information contained herein was furnished by EDSARDA, NECCA, NECORTA and the SDFNE.

If you believe there is a mistake with your listing, please contact your association representative.
